Good afternoon!

Due to the threat of COVID-19 and at the urging of the Governor, the South Carolina Office of Regulatory Staff (ORS) has implemented a telework policy for certain employees. Both myself and Jenna Sarrell work in the Transportation Department of ORS and we are working from home.

Due to this situation, ORS is not able to mail out certificates and other pertinent documents. If a carrier or pending applicant has met all requirement of the Public Service Commission's Order, either myself (Carole) or Jenna will be sending case-by-case emails to you all to confirm that any new and/or amended certificates have been issued because the carrier and or applicant is in compliance. This email and its attachment(s) should be used as confirmation that these carriers should be allowed by all parties in this email group to operate until ORS can print and mail hard copies of all necessary documents at a later date. This includes any decal sticker(s) attached to this email in an Excel spreadsheet should be used as confirmation that the vehicle is in compliance and can be operated by the carrier until a hard copy of the sticker is printed and mailed out.

If you have any questions, please send an email to me: [cchauvin@ors.sc.gov](mailto:cchauvin@ors.sc.gov)

*Thanks,  
Carole*

**NOTE THE CHANGE IN EMAIL ADDRESS. PLEASE UPDATE YOUR RECORDS.**
